MANDATORY TRAINING	COMMENTS
<p>Advanced Beginner, Intermediate TRIAL</p>	<p>We love seeing how much you are enjoying the training environment! Continue to work on the following concepts: Spotting even in simple figures, lowering your "dance level" for better stability and balance overall, work on spotting more consistently even in easy figures, work on expanding your body movement for more functionality, maintaining your legs closer together coming out of turns and traveling figures for better balance and stability, using hip movement for better preps and momentum.</p>

"TRIAL" indicates a 2-week period in the assigned class level where the instructors will observe a new student's ability to keep up with the class to ensure the level is the best fit. Students will only be contacted at the end of the 2-week trial period if the teaching team determines that a level change is necessary. If no contact is made, the student may continue in the assigned class level
