MANDATORY TRAINING	COMMENTS
Intermediate	GREAT work this semester - we love seeing you enjoy the training environment! Continue to work on the following concepts: spotting the lead with a full range of motion even in simple figures, work on expanding your body movement from rib cage, keep your legs closer together when coming out of turns and traveling figures for better balance and responsiveness, avoid extending your knees in turns /spins (stay low), use more hip movement for better momentum in preps/turns.

"TRIAL" indicates a 2-week period in the assigned class level where the instructors will observe a new student's ability to keep up with the class to ensure the level is the best fit. Students will only be contacted at the end of the 2-week trial period if the teaching team determines that a level change is necessary. If no contact is made, the student may continue in the assigned class level
